WORK EXPERIENCE

Since May 2009

Interface Designer at Alert Life Sciences Computing S. A.

Development of the user interface design, use cases and key screens for touch screen software for paper-free clinical environments in hospitals, primary care centers and private physician offices.

November 2008 – February 2009

Internship as a video editor at nexttv.

Editing of music and fashion programs, interviews, talk shows and tv infomercials for a teen audience.

May 2006 – May 2009

Part-time job as Caterer, Trainer and Event Manager for Duplos Gémeos - RC Eventos.

Organization of events, particularly weddings. Allowed me to train new people, to deal directly with the well being of customers, as well as to organize an event from scratch.
